- Helps reduce ordinary **stress levels** naturally.*
- Supports optimal **immune function**.*
- Helps maintain healthy **blood sugar levels**.*
- Helps relieve occasional **sleeplessness**.*
- Supports **joint health** and comfort.*
- Supports **healthy digestion**.*
- Provides herbal support for **cellular health and energy levels**.*
- Supports healthy **mood balance** and promotes a feeling of **overall well-being**.*

FS¹ Features

- Made from high-quality organic hemp.*
- Cannabinoids, such as CBD, have positive effects on the body by interacting with cannabinoid receptors in different parts of the central nervous system.*
- Since FS¹ is full spectrum CBD hemp oil, it also contains naturally-occurring vitamins, minerals, fatty acids, terpenes, flavonoids, chlorophyll, protein and other cannabinoids in trace amounts.*
- Full spectrum CBD hemp oil is superior to CBD-only oils or isolates due to what's known as the "entourage effect". The entourage effect is when multiple naturally-occurring compounds combine synergistically to provide far better performance than any single compound, including CBD.*
- FS¹'s exceptional delivery system ensures excellent absorption and bioavailability.*
- Made in the USA under GMP (Good Manufacturing Practice) guidelines. This means our products are consistently produced and controlled to quality standards.
- The CBD hemp used in FS¹ is sourced from industrial hemp farms that produce some of the purest CBD hemp in the world. Organically grown in the USA. Not bioengineered.

Quality is Esprita's number one priority. A 3rd party COA proving purity, CBD content, microbials, heavy metals, pesticides and solvents for every lot is available at verifyhemp.com.

Key Active Ingredients

- CBD (Cannabidiol).
- Other naturally-occurring cannabinoids (trace amounts).
- Naturally-occurring vitamins, minerals, fatty acids, terpenes, flavonoids, and chlorophyll.
